

REMARKS

New claims 71 and 72 have been added to the specification. The subject matter of new claims 71 and 72 corresponds to cancelled claims 62 and 63, respectively. In the Advisory Action of January 24, 2005, the Examiner denied entry of the October 19, 2004 response, in part, because amendments to claims 62 and 63 raised new issues for consideration. In response to the Advisory Action, claims 62 and 63 were cancelled in the amendment of January 31, 2005. The subject matter of those claims presented again as new claims 62 and 63. Entry and consideration thereof are respectfully requested.

If necessary, the Commissioner is hereby authorized, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Respectfully submitted,
